To our Holy Ghost Lutheran School Alumni and Friends,

As a proud supporter of HGLS, we are writing to seek your financial assistance in our ongoing efforts to provide financial aid to deserving students. Our commitment to fostering a high-quality educational environment drives us to ensure that no student faces financial barriers to accessing quality LCMS faith-based education. We are proud to offer financial aid annually to our students and wish to continue this mission.

HGLS has a long-standing tradition of excellence, and we take pride in nurturing young minds, encouraging creativity, and instilling a love for learning. However, we recognize that some families may struggle to meet the tuition costs, hindering their children's access to our exceptional programs.

Your generous contribution can make a significant impact on the lives of these students. By supporting our financial aid program, you directly contribute to:

- **Scholarships:** Your donation will fund scholarships for students who demonstrate academic promise, leadership potential, and a commitment to community service.
- **Extracurricular Activities:** Financial aid allows students to participate in extracurricular activities, sports, and clubs, enhancing their holistic development.
- **Specialized Programs:** Some students require additional resources for specialized programs, such as music, arts, and special education. Your contribution ensures that these opportunities remain accessible to all.

We kindly request your support in the form of a tax-deductible donation. Any amount, large or small, will directly impact the lives of our students. Here are some ways you can contribute:

- **One-Time Donation:** You can make a one-time donation in an amount of your choosing. • **Cost to Educate Donation** – Consider the table below for the cost to educate a child:
